

FLIGHTS OF FANCY: Finger Lakes Wine Classic

Save the date!! Penn Yan Rotary and the Yates County Chamber of Commerce team up with the Hampton Inn for the second annual Flights of Fancy: Finger Lakes Wine Classic on **May 20, 2017**. The Hampton has agreed to be the location and title sponsor for the event that was fun and festive on Main St. last year.

Plan to join the fun at the Hampton Inn! With 24 invited wineries, food pairing vendors and music, the unique tasting event will launch the Finger Lakes "high season."

"The Hampton Inn is thrilled to be part of this event that is becoming a signature for the Finger Lakes area. It gives us a chance to partner with Rotary in a local event that can do so much for this community, while showcasing what an asset the Hampton is to the area," said Hampton Inn General Manager Jessica Bacher.

Hosted in conjunction with the Yates County Chamber of Commerce, the Rotary event will run from 2pm to 7pm on the tented patio of the Hampton facing beautiful Keuka Lake.

To showcase the best wines, Finger Lakes varietal wines will be poured. Eight regional chefs will be on hand to provide culinary demonstrations and/or small plate sales.

Proceeds from the event will support Penn Yan Rotary community projects, with a featured recipient to be announced later.
